- ¹ Air Travel and Hotels: Three ThankYou Points for each \$1 spent on purchases at airlines, hotels, and travel agencies.
- ² Restaurants: Three ThankYou® Points for each \$1 spent on purchases at restaurants (including cafes, bars, lounges and fast food restaurants). **Certain Non-Qualifying Purchases:** You won't earn three points for each \$1 spent on purchases made at bakeries, caterers, and restaurants located inside other establishments (such as hotels, department stores, grocery stores, discount and convenience stores or warehouse clubs).
- ³ Supermarkets: Three ThankYou Points for each \$1 spent at supermarkets. **Certain Non-Qualifying Purchases:** You won't earn three points for each \$1 spent on purchases made at general merchandise/discount superstores, freezer/meat locker provisioners, dairy product stores, miscellaneous food/convenience stores, markets, drugstores, warehouse clubs, wholesale clubs, specialty vendors, bakeries, candy stores, nut stores, confectionery stores, and meal kit delivery services. You also won't earn three points for each \$1 spent on purchases made at online supermarkets if the merchant does not classify itself as a supermarket by using the supermarket merchant code.
- ⁴ Gas Stations: Three ThankYou Points for each \$1 spent on purchases at gas stations. **Certain Non-Qualifying Purchases:** You won't earn three points for each \$1 spent on gas purchases at warehouse clubs, discount stores, department stores, convenience stores or other merchants that are not classified as gas stations using the gas station merchant code.
- ⁵ All Other Purchases: One ThankYou Point for each \$1 spent on other purchases including the nonqualifying purchases listed above.

Only Purchases Earn Points. Balance transfers, cash advances, checks that access your card account, items returned for credit, unauthorized charges, interest and account fees, travelers checks, foreign currency purchases, money orders, wire transfers (and similar cash-like transactions), lottery tickets, gaming chips (and similar betting transactions) do not earn ThankYou Points.

Merchant Classification for Rewards Categories. Merchants are assigned a merchant category code ("MCC"), which is determined in accordance with Visa/Mastercard/American Express procedures based on the kinds of products and services the merchants primarily sell. We don't control the assignment of these codes and are not responsible for the codes used by merchants. When you use your card to make a purchase, we're provided an MCC for that purchase. We group similar merchant codes into categories for purposes of making rewards offers. Sometimes you may expect a purchase to fit within a rewards category, but if the code assigned to the merchant wasn't grouped into that category, as recognized by Citi, your purchase will not qualify for additional points. For example, you won't earn additional points for purchases at a restaurant located within a retailer if the restaurant is assigned a "retailer" code instead of a "restaurant" code. Please also note - purchases made through mobile/wireless technology may not earn additional points depending on how the technology is set up to process the purchase. We reserve the exclusive right to determine which purchases qualify for additional points. Please see our Earning Points FAQs at thankyou.com/help for more information.

You may earn ThankYou Points as long as your card account is open and current. If your Card Account is closed, you will not be able to earn and redeem ThankYou Points and you will lose any accumulated ThankYou Points that have not been transferred to your ThankYou Member Account (we will set up a ThankYou® Member Account for you).

ThankYou® Rewards may be terminated with 30 days prior written notice. If ThankYou Rewards is terminated, you will have 90 days from the ThankYou Rewards termination date to redeem all your accumulated ThankYou Points. The ThankYou Rewards program may be changed at any time. Rewards offered by ThankYou Rewards and the ThankYou Point levels required for specific rewards are subject to change without notice.

ThankYou Points earned from purchases post to your Card Account at the close of each billing cycle, and at that time we will transfer the ThankYou Points you earned to your ThankYou Member Account. (Bonus ThankYou Points may take one to two additional billing cycles to post to your Card Account). ThankYou Points are not eligible for redemption until they are transferred to your ThankYou Member Account.

Please see the Citi ThankYou Rewards Terms and Conditions at thankyou.com/terms or call us at 1-800-THANKYOU (1-800-842-6596) (For TTY: Use 711 or other Relay Service) to request a complete copy of the Terms and Conditions. The Terms and Conditions include redemption information on the Citi ThankYou Rewards Program.
